

System failures

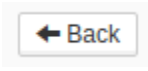

Under "Administration / System Failures" you will find an overview of all system failures. In the header there are two buttons.

 **+ New** Link to input form for creating a new system outage.

 **Filter** Provides the ability to filter the system outages list by comment.

New system outage

In the header of the input form used for creating a new system outage you will find a button.

 **← Back** Returns to the system outage overview (without saving).

Field name	Required Field	Description
Comment		Comments regarding system outage
From		Start of system outage
To		End of system outage
